## 2011 SSA Commercial Breeder of the Year

Blairswest Land & Cattle received their farm sign from SSA Vice Pres. Dave Erixon at Agribition

### Congratulations Blairswest Land & Cattle!

Scott and Calla Blair, along with their 3 sons, Cameron, Nolan and Maguire and Scott's parents, Dale and Janet, operate Blairswest Land & Cattle, northwest of Drake, SK. They run 250 Simmental cows & some Simmental cross cows and grain farm 4500 acres.

They use top quality Simmental & Red Angus bulls to produce F1 females. They have marketed many of these females through Saskatoon Fall Fair and Agribition as well as private treaty. Their females have been in great demand by leading commercial men and many sell to repeat customers.

Blairswest have had numerous Champions at Agribition and Saskatoon Fall Fair in the heifer and steer divisions. Their most recent winnings can be seen in the show results listed below!

Scott & Calla and family have been strong supporters of the Simmental breed for many years!

## Proof that Simmental Genetics will put more money in your pocket!
