

2025 SSA Purebred Breeder of the Year!

CITY VIEW SIMMENTALS

City View Simmentals is operated by Blaine and Tina Barnett with their kids, Brody and Addison. They are located southwest of Moose Jaw, Sk. At Agribition thirty-six years ago, City View Simmentals began with the purchase of DMX MS Foxy Gal 4Z from Don & Bonnie McLaren out of the 1989 Simmental sale. Growing up on a small mixed farm with commercial Simmental cattle is what intrigued Blaine to begin a registered herd. Each year purebred heifers from reputable herds were added as 4-H projects. Blaine and his brothers, Joe and Brian, enjoyed exhibiting heifers for many years as 4-H and YCSA members.

The Barnett family is now calving approximately 120 purebred and fullblood cows, 60 commercial Simmental influenced cows along with 100 custom cows each year.

Blaine and Tina were married in 2005 and are proud of their kid's active involvement in the farm. Now in high school, Brody has a passion for running equipment and Addison's passion is cows, whether its day-to-day chores or travelling the show road. The kids are both YCSA members and have started their own herds. Tina looks after day-to-day operations while Blaine has managed an 8000-acre grain farm for the past 23 years.

Blaine has been active in the Simmental breed since he began as a YCSA member serving as SYCSA president, Director on the national YCSA board, Agribition Simmental Breed rep, SSA director, SSA vice president and most recently as the Saskatchewan Simmental Association president.

City View started selling bulls privately before consigning to the Regina Bull Sale in 2000 through 2010. In 2011, they partnered with Ivanhoe Angus and Sunnyside Simmentals to have a bull sale together in Moose Jaw. City View now hosts their Annual Bull Sale at the farm nineteen miles southwest of Moose Jaw each March. They have also marketed select females at many sales across western Canada and they enjoy showing cattle throughout the year.

While the entire Barnett family remains active in the cattle industry, the Barnett brothers have each found their own path. While Blaine and Tina head up the Simmental side of things, Joe and Aaron run Twin View Livestock raising elite Gelbvieh cattle. Brian and Lisa and their daughter Cassie operate Abound Livestock specializing in high power Angus cattle. A constant remains though where everyone works together when it's needed. From big jobs to advice and ideas, everyone is just a phone call away.

2025 SSA Purebred Breeder of the Year
SSA President Kyron Manske presenting the farm sign to
Brody, Addison, Tina & Blaine Barnett (l-r)

City View Simmentals and Abound Livestock now partner together to host the annual bull sale. They believe strongly in the value of family and working together toward common good.

City View Simmentals, the Barnett family of Moose Jaw, would like to thank the Saskatchewan Simmental Assoc for honoring them with this prestigious award!

First Year Recipients

Sadie Robb
 Lance McMillen
 Torij Labatte
 Darby McCormack

SSA Scholarship Fundraiser

Congratulations to the 2025-26 Scholarship Recipients!

Second Year Recipients

Porter Wolkowski

Third Year Recipients

Sudney McCormack

Thank you to the the following breeders for donating semen & embryos for the SSA Scholarship Fundraiser!

Thank you to BoviGen for charging the semen tank and collecting the semen/embryos!

Crossroad Farms
 Double Bar D Farms
 Kuntz Simmental Farm
